HELPFUL TIPS FOR A SMOOTH VIDEO VISIT

- A strong, stable internet connection is absolutely necessary for the entire appointment.
- Use a computer whenever possible. Use a phone only when there is absolutely no other option.
- Choose a quiet, private space where you can speak comfortably.
- Use a current version of Google Chrome. Some required online assessments are Chrome-compatible and may not work correctly in Safari.
- For your safety and privacy, please do not drive during your appointment.
